Thanks to everyone who came to our 4th annual tradeup day. We had about 50 visitors, taught several kids to ride 2-wheelers for the first time, and got many people on bikes that they'll enjoy riding in the coming season. We also received many donations of bicycles that we will be fixing up in the coming weeks as business continues to be brisk with Summer weather approaching. Thanks especially to our volunteers – Will, Don, Lisa, Doyle, Amanda, Jason, Ian, Chris. Did I miss anyone?
