

1st annual Positive Spin Benefit

Go For the Groceries May 3rd, 2009 11am to 4pm

In Hazel Ruby–McQuain Waterfront Park under the
Westover Bridge.
Morgantown, WV

Thanks to everyone who helped with this year's first-time event. Although the drizzly weather damped things a little bit, we still made money – this is unusual for a first-time event. We plan to do it again next Fall, and possibly every 6 mos. Special thanks to the Society of Environmental Professionals who put it on, and our volunteers who helped. Also to Bob and Ruby of the Weedhawks for coming and putting on the music in spite of the low turnout.
