

## 30th Annual Country Roads Cyclists't 2009 Appalachian Spring Spectacular Ride

The ride went off as usual this year, but with a few less riders than usual due to wet weather. Riders took the 25, 40 and 60 mile routes according to how waterproof they were. Then it was back to Synergy Restaurant for a hearty dinner. Since attendance was lower than expected (by 85 people) the extra was sent to the Bartlett House. Hope for better weather next time. Thanks to all the volunteers who put in the hours to make sure it happened. Positive Spin provided mechanical support.
